

# SIMS Parent App

**We are moving to use SIMS Parent App to communicate with you about your child's life in school, such as attendance, timetable and behaviour**

**You can also view and update the contact details we hold for your child on the app**

You will be sent a unique link and code once your child starts with us in September to be able to access all the information from the SIMS Parent App.

**Scan the QR codes below to get directed to the app**

In September accept the invitation through your email to start using the SIMS Parent App.

If you have any questions about this once your child starts, please contact your child's tutor in the first instance.
