### INFORMATION:

- All assessments are out of 10 and the numbers above represent marks made on assessments.
- Each year has six assessment points using two of the English Top 10 skills
- Each skill is split into 5 skill descriptor levels: students receive descriptors on skills to focus on skill acquisition not scores.
- Each skill is tracked throughout the year, the other skills are formatively assessed in class work and books.
- Each year is planned to assess the skills progressively:
  - Y7 Writing to focus on technical accuracy and written expression.
  - Y8 Reading and analysis skills to develop understanding of meaning & effect.
  - Y9 Higher level skill development to add depth to analysis, perspective and interpretation.
- KS3 Top 10 skills work towards GCSE skills with an ethos of Literacy for life.
