Our Ref LM/jd/Y10 Closure

20<sup>th</sup> January 2022

Dear Parents and Carers

**Temporary closure for Year 10 to move to remote learning - Monday 24<sup>th</sup> January up to and including Wednesday 26<sup>th</sup> January.**

Like many schools across the country, we are currently facing low staffing levels and are aware that this will continue at least over the next few days. We have therefore made the decision to move to remote learning for year 10 for the next couple of school days in the interest of our students' safety and wellbeing.

This blended learning approach is very important, as it will allow all year groups to receive a mixture of face-to-face and remote learning, ensuring that the measures we need to put in place are fair for all students.

During their time at home, **work for students in Year 10 will be set on Microsoft Teams.**

**See link below to access work for Year 10**

<https://www.qka.education/page/?title=Work+From+Home&pid=226>

I want to be clear again that this is not because of positive cases of Covid-19 in the academy and under normal circumstances, staff absences rarely cause problems and can be quickly solved. However, under the current circumstances, schools are facing significant challenges with staff absences much higher than normal.

If there are any exceptional circumstances where pupils in year 10 are unable to access their learning at home over the next couple of days, please contact the year 10 team who will be able to offer some support for your child to remain in school

If your child is eligible for free school meals, you will automatically receive a link to access a food voucher.

**All Year 10 students should return to school on Thursday 27<sup>th</sup> January as usual.**

I would like to thank all our families for your support so far and apologise again for the disruption these decisions cause. I want to reassure you that the safety and wellbeing of our students is always our highest priority.

Yours sincerely

**Lynn Mayes**  
Principal, Queen Katharine Academy
