SIMS Parent App

We have a convenient new way to share information with you about your child's school life through our parent app – SIMS. You can access SIMS Parent App from a smartphone, tablet, or PC – anytime, anywhere.

What will you find in the SIMS Parent app?

- Important information such as attendance, behaviour, achievement, and homework
- School term, inset dates and contact details available at the click of a button
- Access your child's school report
- Receive notifications to remind you about important information such as key dates for your diary
- Access to update your contact details, so we always have the most up-to-date information in case of emergency
- If you have more than one child at school, you'll have access to information for all your children, from the same app.

The information that you receive through the app will help you to stay up-to-date with your child's school life as well as support your child's development and progress.

Getting started with the SIMS Parent app

1. We will send an activation email to the email address you have provided. Simply click on the link from your tablet, PC, or smartphone to activate your account.
