

A Guide to the Apprenticeships Tool

Welcome to the Unifrog homepage!

Unifrog is 'The Complete Destinations Platform' and is one of the most useful tools you have when it comes to researching University courses, Apprenticeships, FE courses, MOOCs and Oxbridge colleges.

To get started just click on the 'Sign In' button at the top right of the screen (1).

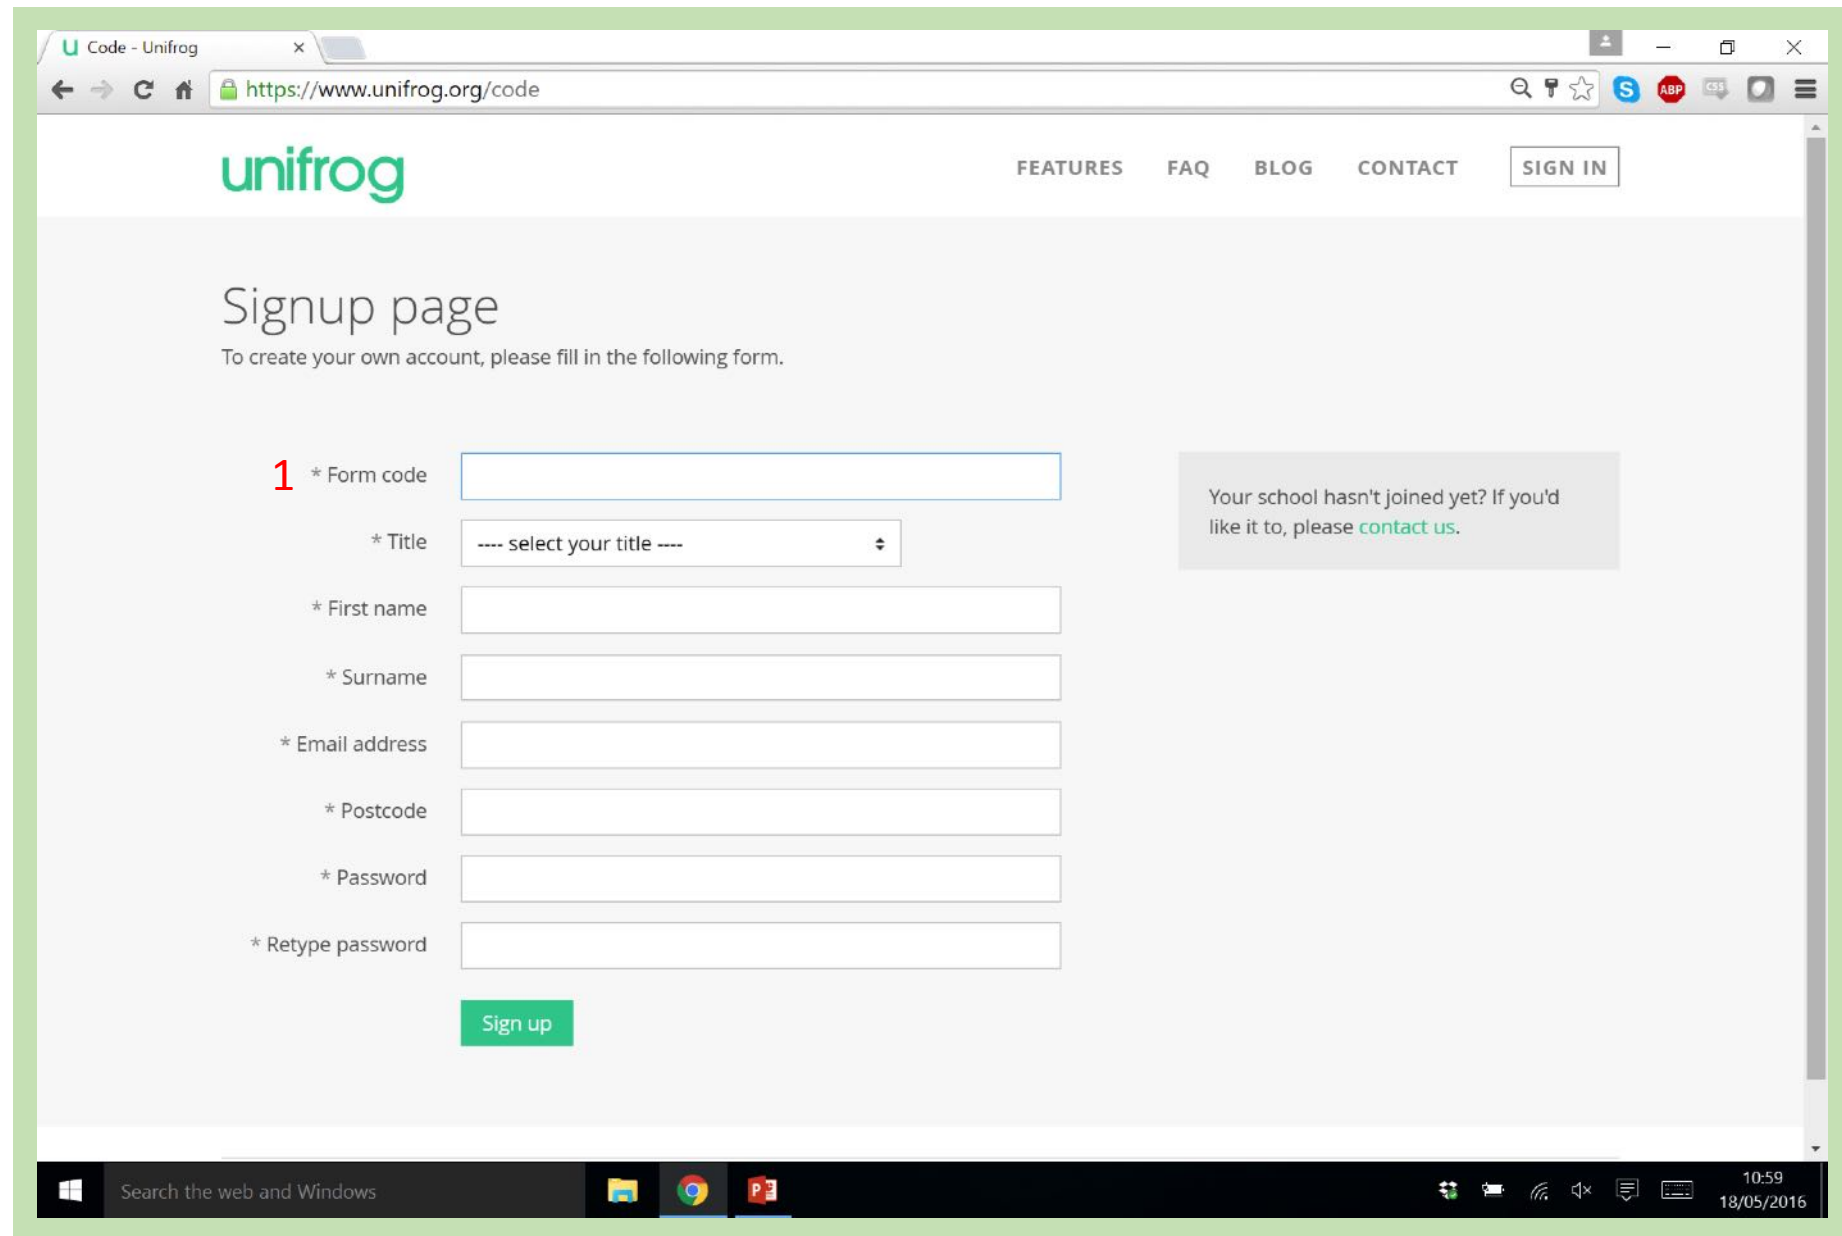

If you have logged in to Unifrog previously, you can enter your student log in details here and click the green 'SIGN IN' button (1).

If you have never logged in before, click the 'Sign in for the first time' link on the right of the page (2).

Teachers can sign in by clicking the 'Sign in as a teacher' link on the right (3).

The screenshot shows the Unifrog student sign-in page in a web browser. The browser's address bar shows the URL <https://www.unifrog.org/student>. The page features the Unifrog logo at the top left and navigation links (FEATURES, FAQ, BLOG, CONTACT) and a SIGN IN button at the top right. The main heading is "Student sign in". Below this, there are two yellow input fields: the first contains the email "Greg@unifrog.org" and the second contains masked characters ".....". A green "Sign in" button is positioned below these fields, with a red number "1" next to it. A link "Forgotten your password?" is located below the "Sign in" button. To the right of the sign-in form, there is a grey box containing three options: "Been given a Form Code?" with a link "> Sign in for the first time" (annotated with a red number "2"), "Are you a teacher?" with a link "> Sign in as a teacher" (annotated with a red number "3"), and "Your school hasn't joined yet?" with a link "> If you'd like it to, please contact us". The footer of the page includes the copyright notice "© Unifrog 2016", a link to <https://www.unifrog.org/code>, and social media icons for Twitter, Facebook, and LinkedIn. The Windows taskbar at the bottom shows the time as 10:59 on 18/05/2016.

To signup for the first time, simply enter your personal details and your 'Form code' which will be given to you by your teacher (1). Click 'Sign up'.

The screenshot shows a web browser window with the URL <https://www.unifrog.org/code>. The page features the Unifrog logo and navigation links for FEATURES, FAQ, BLOG, CONTACT, and a SIGN IN button. The main heading is "Signup page" with the instruction "To create your own account, please fill in the following form." The form includes a red number "1" next to the "Form code" field, which is highlighted. Other fields include Title (a dropdown menu), First name, Surname, Email address, Postcode, Password, and Retype password. A green "Sign up" button is at the bottom. A grey box on the right contains the text: "Your school hasn't joined yet? If you'd like it to, please [contact us](#)." The Windows taskbar at the bottom shows the time as 10:59 on 18/05/2016.

Search the web and Windows

10:59
18/05/2016

This is the Unifrog student homepage!

Immediately you can see some useful information – The wheel shows your progress at working through the tools (1), and the star shows your ranking in comparison to the rest of your class (2).

Just below the progress wheel there is a drop down task list which you can click on to find out what to do next (3).

Scroll down to see all of the tools available to you.

The screenshot displays the Unifrog student homepage in a web browser. The browser's address bar shows the URL <https://www.unifrog.org/student/home>. The page features a navigation bar with links for HOME, SHORTLISTS, SETTINGS, HELP, and a SIGN OUT button. A greeting message reads, "Hello Greg, here's a summary of your progress so far...".

Below the greeting, there are three key elements:

- 1**: A circular progress wheel indicating 60% completion.
- 2**: A star icon labeled "2nd in year group".
- 3**: A task list box titled "Finish recording your 5 key competencies" with a 6.6% progress indicator and a "See all your tasks" link.

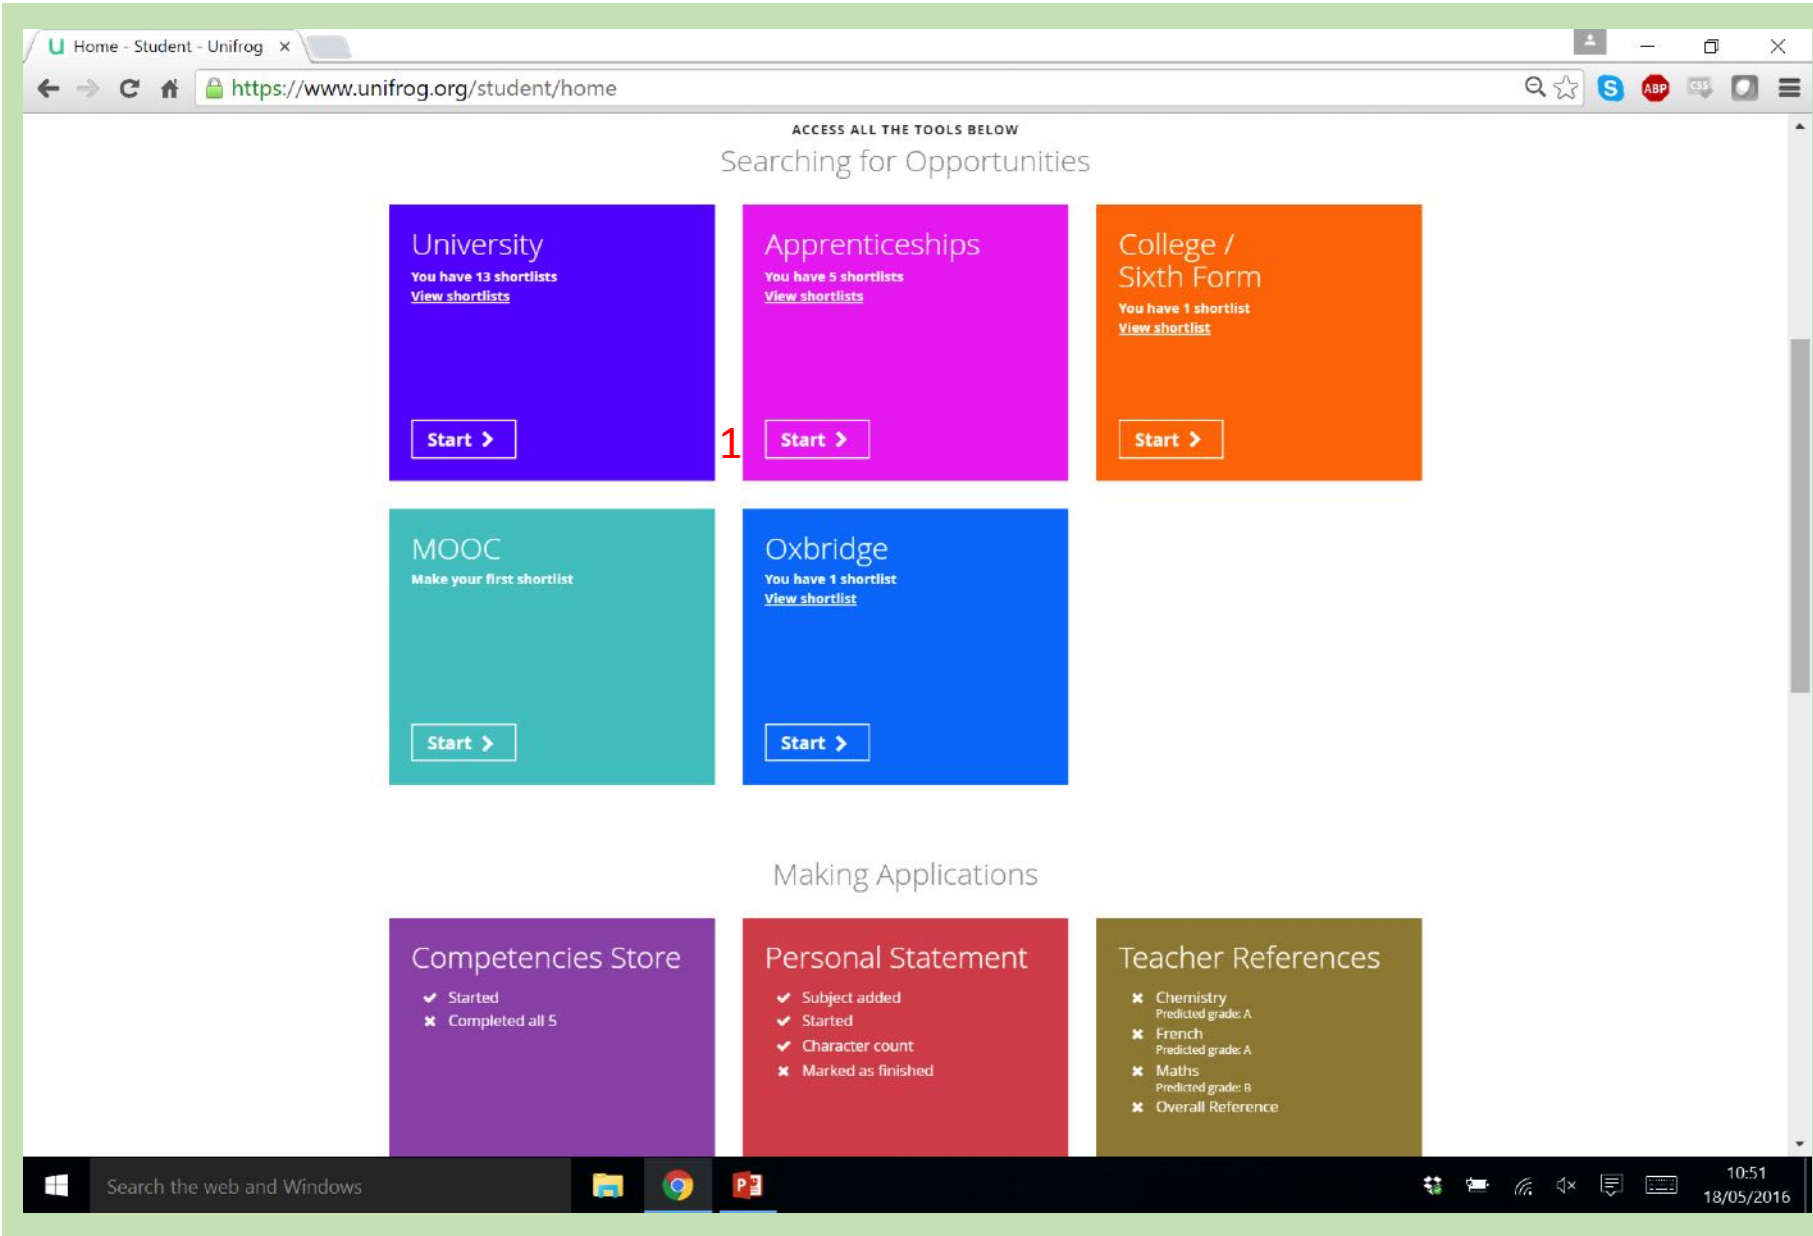

Further down, a section titled "ACCESS ALL THE TOOLS BELOW" and "Searching for Opportunities" presents three colored cards:

- University** (blue card): "You have 14 shortlists" with a "View shortlists" link.
- Apprenticeships** (purple card): "You have 5 shortlists" with a "View shortlists" link.
- College / Sixth Form** (orange card): "You have 1 shortlist" with a "View shortlist" link.

The Windows taskbar at the bottom shows the search bar, task icons for File Explorer, Chrome, and PowerPoint, and the system clock indicating 10:57 on 18/05/2016.

Here are all of the tools displayed on the homepage.

To access the ‘Apprenticeships’ tool click the appropriate ‘Start’ button (1).

The Apprenticeships tool is a simple 5 step progress.

It will provide you with information about live vacancies, which are updated every 24 hours!

It also contains the most comprehensive list of School Leaver Programmes in the country – prestigious apprenticeships offered by big companies.

The first step is the easiest – simply choose where you live from the dropdown list.

To continue click 'next'.

The screenshot shows a web browser window with the URL <https://www.unifrog.org/student/apprenticeships/region>. The page features the Unifrog logo and a navigation bar with links: HOME, SHORTLISTS, SETTINGS, HELP, and a SIGN OUT button. A progress bar at the top indicates five steps: 1 Region (highlighted in purple), 2 Frameworks, 3 Longlist, 4 Shortlist, and 5 Complete. The main content area has a map icon and the text "Search every Apprenticeship in the UK to find the 5 best vacancies for you". Below this, a purple heading asks "Have we selected your region correctly?". A dropdown menu labeled "* Region" shows "London" selected. At the bottom of the form are two buttons: a green "next" button with a right arrow and a blue "or go back" link. The footer includes "© Unifrog 2016" and social media icons for Twitter, Facebook, and LinkedIn. The Windows taskbar at the bottom shows the search bar, task view, and icons for File Explorer, Google Chrome, and PowerPoint, along with system icons and the date/time (17:10, 18/05/2016).

The next step of the tool is to select up to 10 frameworks that you are interested in.

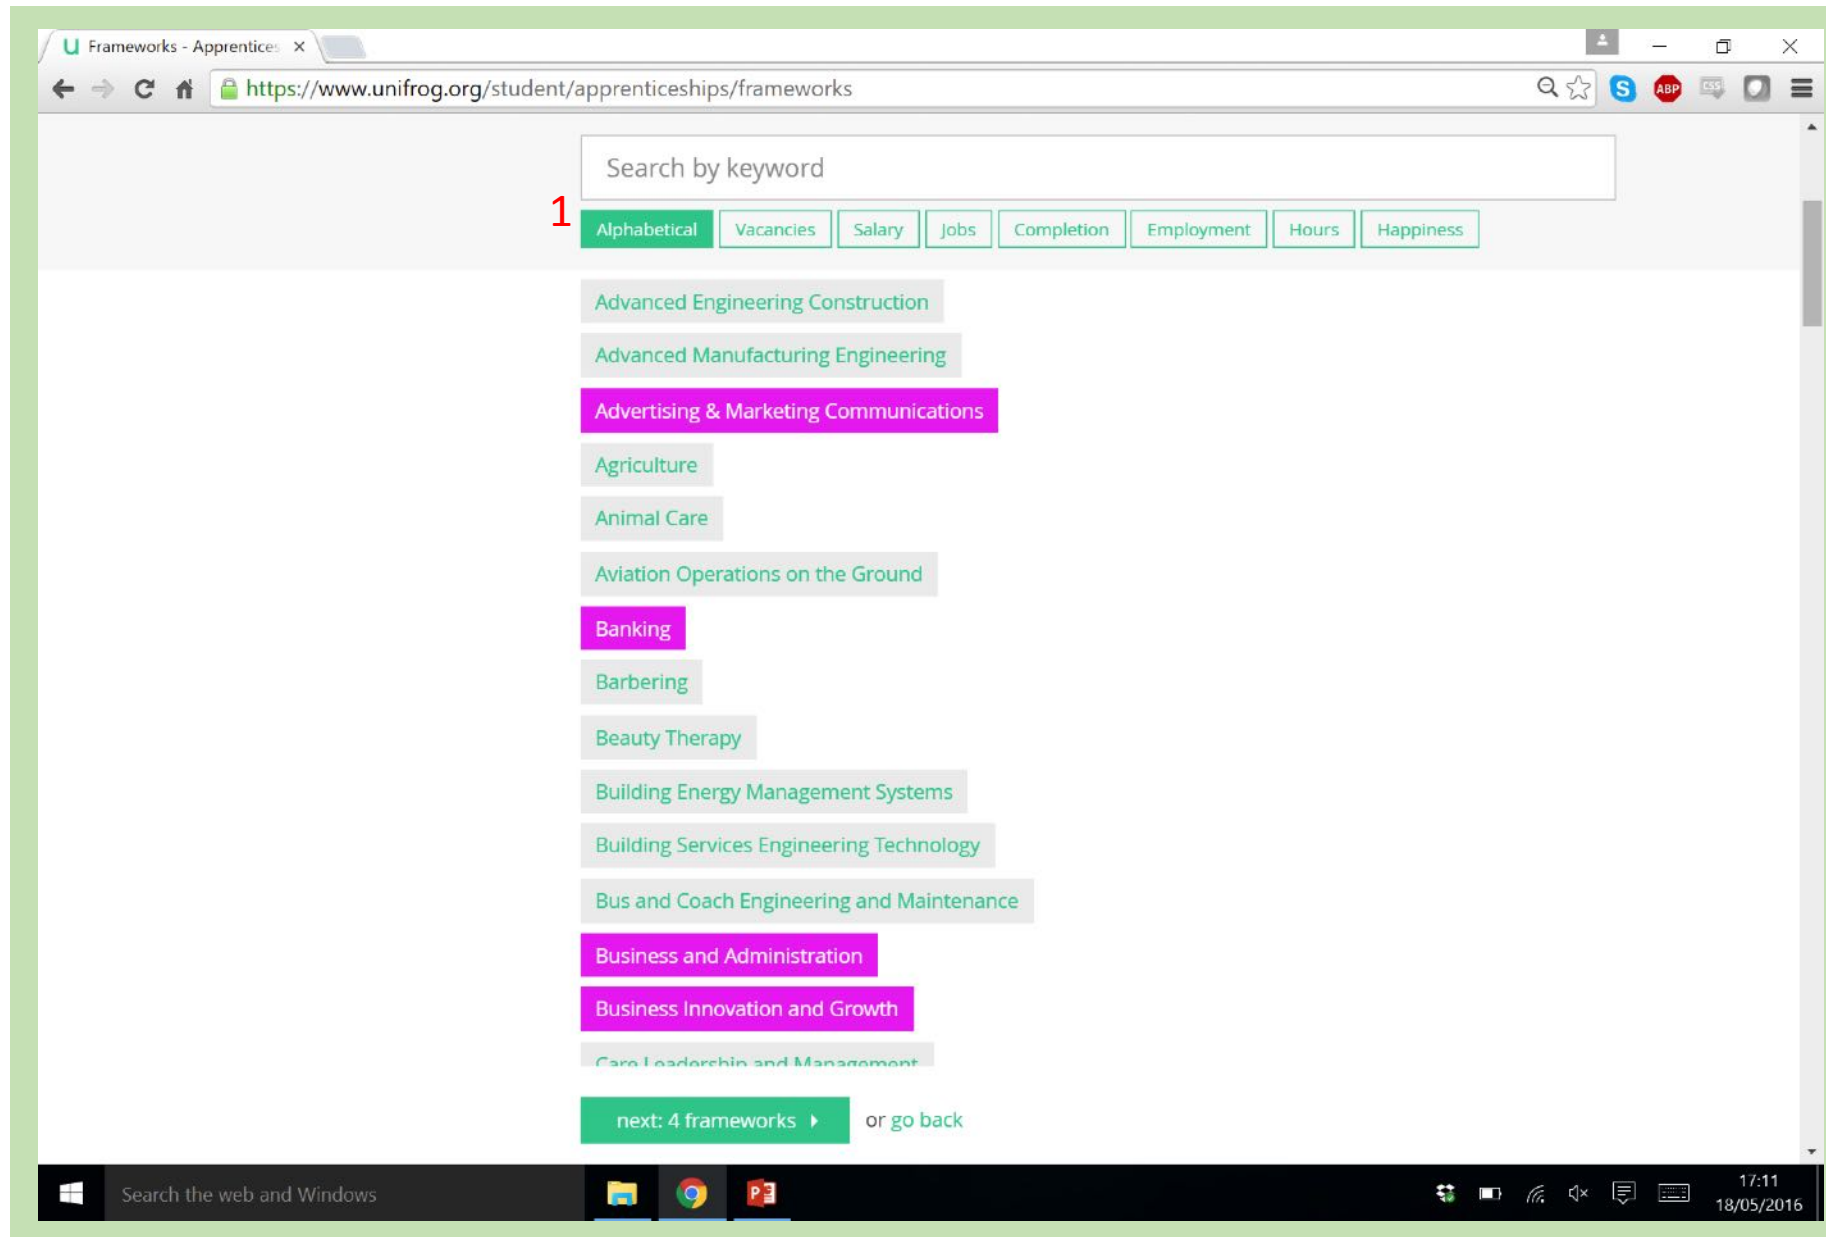

Frameworks are broad areas of work and can lead to many different types of jobs, so choose any frameworks which sound interesting to you.

You can also 'Search by keyword' so try typing in any area of work you are interested in. (1)

The screenshot shows a web browser window with the URL <https://www.unifrog.org/student/apprenticeships/frameworks>. The page features the Unifrog logo and navigation links: HOME, SHORTLISTS, SETTINGS, HELP, and a SIGN OUT button. A progress bar at the top indicates five steps: 1 Region, 2 Frameworks (highlighted), 3 Longlist, 4 Shortlist, and 5 Complete. The main heading asks 'Any of these interest you?' and instructs users to 'Select up to 10 at a time by clicking on the Frameworks you like.' Below this is a search bar labeled 'Search by keyword' with a red '1' next to it. Under the search bar are several filter buttons: Alphabetical, Vacancies, Salary, Jobs, Completion, Employment, Hours, and Happiness. The 'Alphabetical' button is currently selected. The list of frameworks is titled 'Frameworks (140):' and includes the following items: Accounting, Activity Leadership, Advanced Engineering Construction, Advanced Manufacturing Engineering, Advertising & Marketing Communications, Agriculture, and Animal Care. At the bottom of the list are two buttons: 'next' and 'or go back'. The Windows taskbar at the bottom shows the search bar, icons for File Explorer, Google Chrome, and PowerPoint, along with system icons and the date/time (17:10, 18/05/2016).

The frameworks are initially sorted alphabetically (1) and it can be useful just to scroll down the page and explore the many different areas of work.

Along the tab bar at the top there is a range of sorting criteria.

The screenshot shows a web browser window with the URL <https://www.unifrog.org/student/apprenticeships/frameworks>. The page features a search bar at the top with the placeholder text "Search by keyword". Below the search bar is a horizontal tab bar with several sorting options: "Alphabetical", "Vacancies", "Salary", "Jobs", "Completion", "Employment", "Hours", and "Happiness". The "Alphabetical" tab is highlighted with a red box and a red number "1" next to it. Below the tab bar, a list of apprenticeship frameworks is displayed, each in a light blue box. The frameworks listed are: "Advanced Engineering Construction", "Advanced Manufacturing Engineering", "Advertising & Marketing Communications", "Agriculture", "Animal Care", "Aviation Operations on the Ground", "Banking", "Barbering", "Beauty Therapy", "Building Energy Management Systems", "Building Services Engineering Technology", "Bus and Coach Engineering and Maintenance", "Business and Administration", "Business Innovation and Growth", and "Care Leadership and Management". At the bottom of the list, there is a green button that says "next: 4 frameworks" followed by a right arrow and the text "or go back". The Windows taskbar is visible at the bottom of the screen, showing the search bar and several application icons.

https://www.unifrog.org/student/apprenticeships/frameworks?framework=130

The longlist now presents all the current vacancies that fit into the frameworks we just selected.

By default the list is filtered to show only those vacancies within 100 miles of your home. This is because apprentices and trainees often live at home, and need to travel to work every day.

To remove this filter just click the green link 'Remove this filter?' (1)

A good first step when looking through the list is to filter for the apprenticeships most relevant to you.

Click the 'Filter' drop down button (1) and you are presented with some options. By default the distance is already filtered to less than 100 miles away.

Often, you may be interested in jobs not starting for at least 2 months. In that case, click the 'In 2+ months' filter button (2). This ensures that all the apprenticeships in the list meet that criteria.

The screenshot shows the Unifrog website's apprenticeship search results page. The URL is <https://www.unifrog.org/student/apprenticeships/long-list>. The page features a filter bar at the top with the following options:

- Rank: 1 (selected)
- Filter: (dropdown arrow)
- Search: (dropdown arrow)
- Distance: All distances (selected), 10 miles, 20 miles, 50 miles
- Start dates: All start dates, Within 2 weeks, Within 4 weeks, Within 2 month, In 2+ weeks, In 4+ weeks, In 2+ months (selected)
- Types: All types (selected), Only apprenticeships, Only traineeships, Only School Leaver Programmes

The results are categorized into three columns:

- Intermediate (210)**
 - IT Apprentice - Duncan Lewis (Solicitors) Ltd - Distance: 1 miles
 - Apprentice Administrator Assistant - Barminster Investments Limited - Distance: 2 miles
 - Apprentice Admin Assistant - ALL GROOVE LIMITED - Distance: 3 miles
 - Apprentice Admin Assistant - Sterling De Vere Dalston Ltd - Distance: 3 miles
 - Apprentice Office Administrator - Easymove Estate Ltd - Distance: 3 miles
 - Apprentice Administrator Assistant - Rochester Place Ltd - Distance: 3 miles
 - Apprentice Business Administrator - Fulcrum It Services Ltd
- Advanced (93)**
 - IT Support Apprenticeship - 7536 - TECHRELATE LTD - Distance: 2 miles
 - Business Apprentice - 7414 - MBA IT - Distance: 3 miles
 - BT Apprentice Scheme - IT - Advanced - BT - Distance: 4 miles
 - BT Apprentice Scheme - BT - Distance: 4 miles
 - AAT Accounts Apprenticeship - Buzzacott - Distance: 4 miles
 - EMEA Operations Apprentice - LEVEL 3 COMMUNICATIONS LIMITED - Distance: 4 miles
 - AAT Forensic Accountant
- Higher / SLP (87)**
 - Aviva Digital Apprenticeship - Web Developer (London) - Aviva Group Plc - Distance: 2 miles
 - Audit Apprenticeship with RSM - RSM - Distance: 4 miles
 - VAT Tax Apprenticeship with RSM - RSM - Distance: 4 miles
 - Employer Solutions Tax Apprenticeship with RSM - RSM - Distance: 4 miles
 - Internal Audit Apprenticeship with RSM - RSM - Distance: 4 miles
 - CFAB Apprentice - Haysmacintyre - Distance: 4 miles

At the bottom, there are buttons for 'next' and 'or go back'.

In addition to the 'Filter' options, you can also 'Rank' the search results by a range of factors (1).

You may wish to find an apprenticeship very close to home, therefore the 'Distance from home' option can be very useful (2).

Another popular ranking is by
'Weekly wage' (3).

Job description

With a job as a Finance professional with Deloitte, you'll take a risk based approach to improving our clients' performance and operating efficiency. Job focus areas within Finance include Banking/Lending, Business Modeling, Corporate Finance, Forensic Investigations, Mergers and Acquisitions, and Reorganization. Deloitte provides audit, tax, consulting, and financial advisory services to public and private clients spanning multiple industries.

Ofsted rating: **Good** [Download Ofsted report](#) Employer satisfaction: **8.0** Student satisfaction: **8.1** Completion rate: **86%**

Training provided

As an Audit apprentice with BPP, you will complete the CFAB qualification (Certificate in Finance, Accounting and Business, part of the ICAEW framework) at Level 4. The completion of the CFAB qualification will be completed at a BPP centre or via the Online Classroom Live platform, in addition to at the workplace.

Apprenticeships will include the QCF (Qualification and Credit framework), Technical Certificate Employments rights and responsibilities workbook and Functional skills (if required).

If on closer inspection you decide that a vacancy isn't suitable, you can remove it by clicking the delete button (1).

Once you have narrowed your choices down to 5 vacancies, click the green 'save' button!

It is very important to always save your shortlists so that form tutors can access them and you can look back on them for reference.

Clicking 'Save' emails the shortlist to you tutor and saves it to your 'Shortlists' tab at the top of the page.

You can repeat the search process and use the apprenticeship tool many times to find the best vacancies. They are updated every 24 hours so there are often new ones available.

To access the homepage and use any of the tools again, click 'Go to Start' or 'Home'. (1) or (2)

The screenshot shows a web browser window with the URL <https://www.unifrog.org/student/apprenticeships/complete>. The page features the Unifrog logo and a navigation bar with links: HOME, SHORTLISTS, SETTINGS, HELP, and a SIGN OUT button. A progress bar at the top indicates five steps: 1 Region, 2 Frameworks, 3 Longlist, 4 Shortlist, and 5 Complete (highlighted in purple). The main content area displays a purple checkmark icon and the message: "Your Shortlist has been emailed to you and your form tutor." Below this, under the heading "What to do next...", there are two links: "Download your Shortlist" (with a red number 3 next to it) and "Apply for your Shortlisted Apprenticeship Vacancies Apply here". Under the heading "Where now?", it says "Access all the tools on the Start page:" followed by a red number 1 next to a "Go to Start" button. The footer includes the copyright notice "© Unifrog 2016" and social media icons for Twitter, Facebook, and LinkedIn. The Windows taskbar at the bottom shows the search bar and icons for File Explorer, Google Chrome, and PowerPoint, with the system clock indicating 17:20 on 18/05/2016.

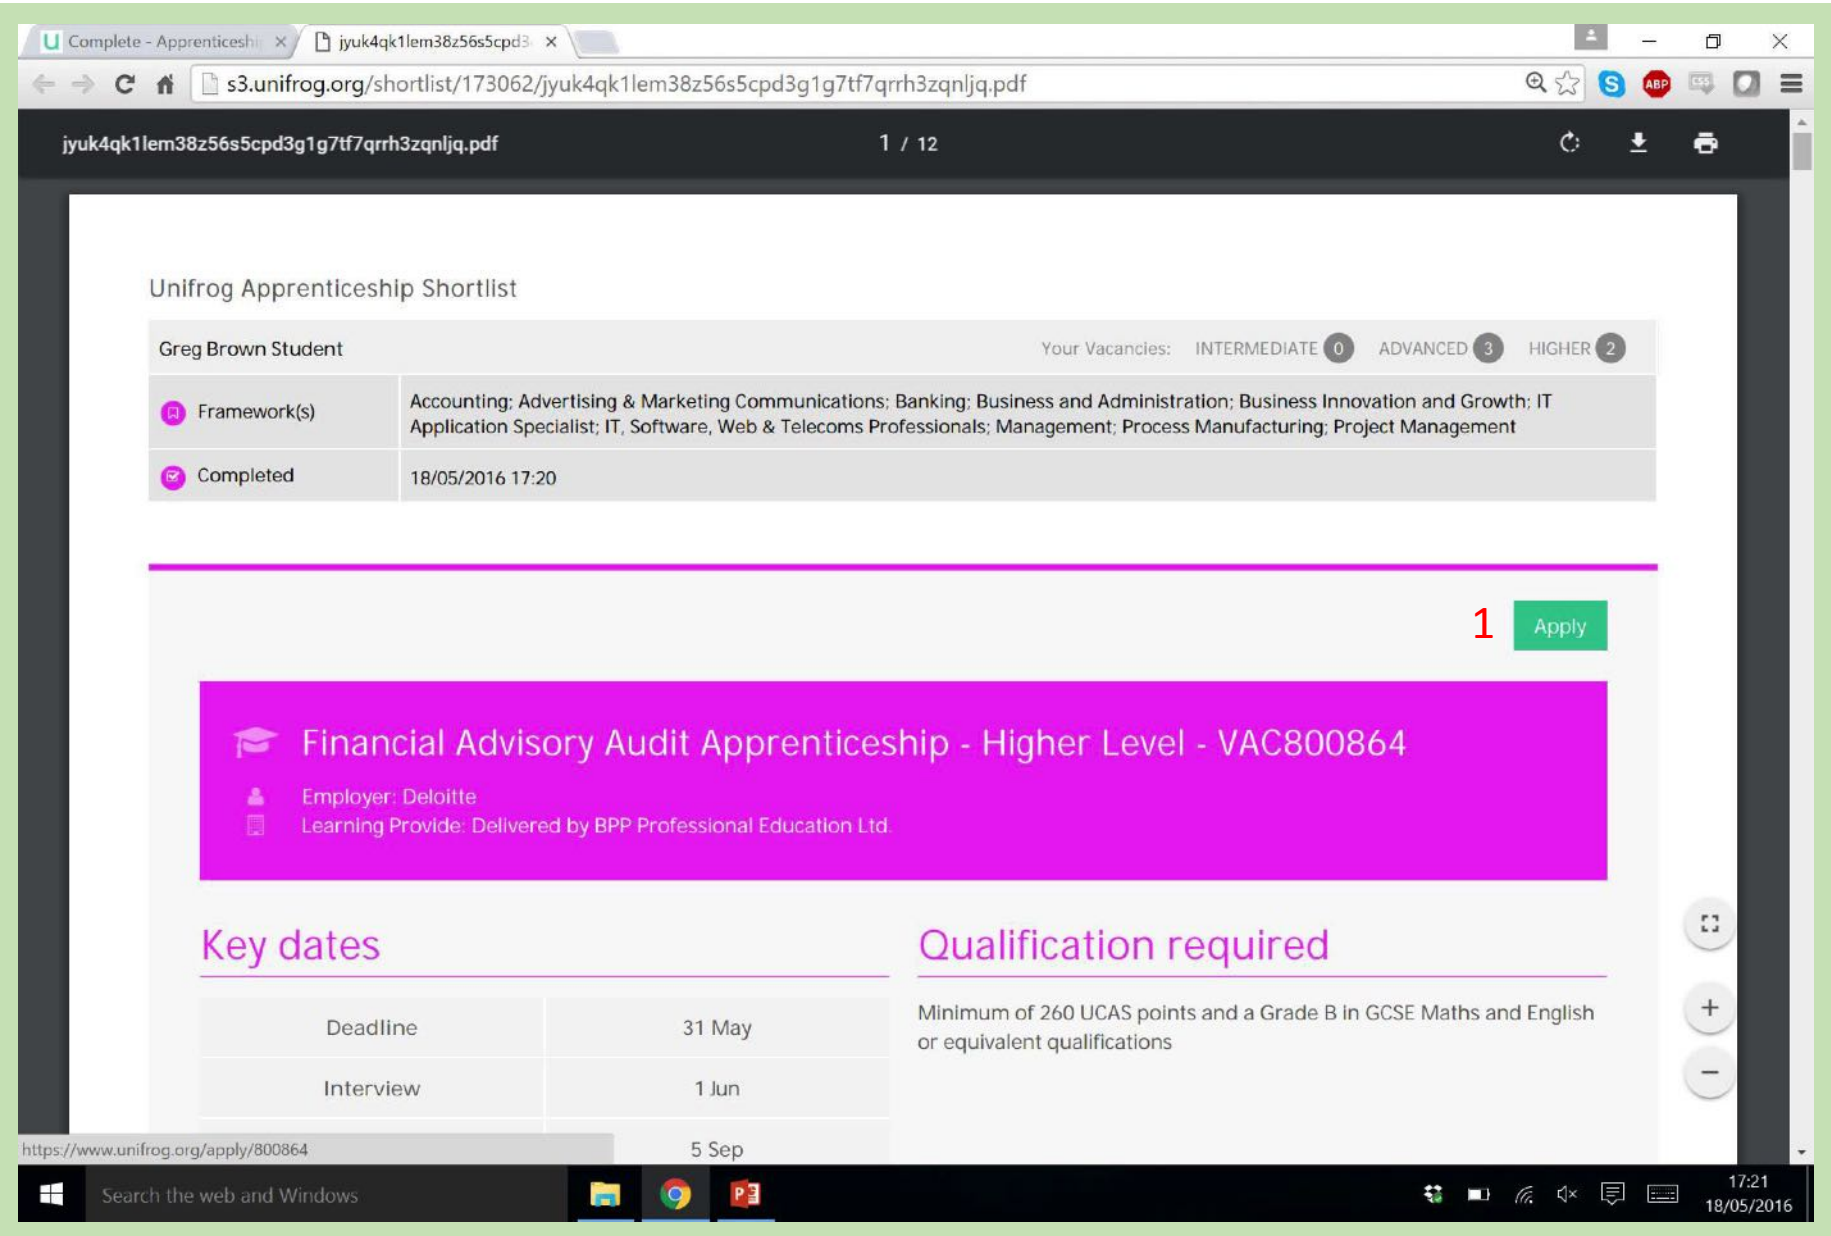

This is the downloaded PDF version of your shortlist.

It contains additional and in depth information about each vacancy.

Scroll down to see all the info.

A great feature of these shortlists is the option to directly ‘Apply’ for the vacancies.

Clicking the green ‘Apply’ button will bring you through to the relevant website for submitting your application (1).

Upon clicking the 'Apply' button from your PDF shortlist, you are brought to a 'Ready to apply' page.

It reminds you of things you may need to address before you apply – preparing a CV and cover letter, what to expect in an interview, and what further assessment may be needed (1).

If you feel you are ready to apply, click the green 'Apply here' button, and your journey begins! (2)

The screenshot shows a web browser window with the URL <https://www.unifrog.org/apply/800864>. The page features the Unifrog logo and navigation links: FEATURES, FAQ, BLOG, CONTACT, and a SIGN IN button. The main heading is "Ready to apply..." followed by "VAC800864 - Financial Advisory Audit Apprenticeship". A green button labeled "Apply here" is highlighted with a red "2". Below this, the section "Before you apply:" lists two items: "Check the location - can you get there and back every day?" and "Register on The National Apprenticeship Service website" with a link "do that here" and an external link icon. A red "1" is placed to the left of the list below. The list includes: "1. A CV: here are some great guidelines", "2. A Cover Letter: here's a step-by-step guide", "3. An Interview: here's what to expect", and "4. An Assessment: more on that here". The footer shows the URL <https://www.findapprenticeship.service.gov.uk/apprenticeship/705499> and a Windows taskbar with the date 18/05/2016 and time 17:22.
