

Allergen Awareness

Our catering teams at TDET take the welfare of all students, staff and visitors very seriously and are committed to providing safe food.

TDET fully complies with all legal requirements regarding food labelling for all food served within our academies, including Natasha's Law which requires ingredients on pre-packed products to be listed.

Our daily menus clearly identify a full breakdown of any allergens within the food served.

If you require any information around the allergens please do speak to any member of the catering team, who will be happy to help.

The Art of Food

In the bottom left corner of the page, there is a decorative illustration of two orange flowers with yellow centers and green stems, set against a background of green foliage.
