

Severe Weather Protocol

In the event of severe weather /snow etc., we will endeavour to keep the Academy open and operating as normal. However, in the event that it may be necessary to close the site this decision will be made by the Head of School and this will be evaluated against the conditions below:

1. Conditions on site are dangerous
2. Insufficient staff to secure the site and maintain academy safety
3. Conditions are considered or anticipated to later become too hazardous to travel.

Parents and students will be informed of this decision via:
