13 March 2020

Dear Parents/Carers

You may be aware that the government met yesterday to review the response to the Covid-19 virus.

While they confirmed new measures have now been put in place, most importantly the government confirmed that:

- UK schools should remain open and continue to operate normally at this time. Queen Katharine Academy will continue to follow the government's advice and will remain open until we are advised otherwise.

The government did announce an additional measure for schools that means:

- School trips abroad will not be permitted

Fortunately, we have no trips abroad planned over the next few weeks.

We will continue to update you on the situation as new announcements are made by the government, and want to reassure you that the school's leadership team are preparing for all possible scenarios. This is an extraordinary period of time for everyone, including schools, and I want to thank you for your continued patience and understanding.

Yours sincerely,

Mrs L Mayes
Principal
